

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF MARYLAND
(Southern Division)

DATASCI, LLC,

Plaintiff/Counter
Defendant,

vs.

MEDIDATA SOLUTIONS, INC.,

Defendant/Counter
Plaintiff.

Civil Action No. 09-1611-MJG

**DATASCI LLC'S EXPEDITED MOTION FOR AN EXTENSION OF TIME TO FILE
ITS OPPOSITION TO MEDIDATA SOLUTIONS INC.'S MOTION FOR PARTIAL
SUMMARY JUDGMENT**

Plaintiff, DataSci LLC ("DataSci") respectfully moves for an extension of time to respond to Medidata Solutions Inc.'s ("Medidata") Motion for Partial Summary Judgment. The current deadline to respond is September 7. DataSci respectfully requests an extension up to and until September 21, 2010, to file its response.

Pursuant to Local Rule 105.9, DataSci contacted counsel for Medidata on August 25, 2010, to inquire if Medidata would consent to DataSci's request for an extension. (Ex. 1). DataSci's counsel followed up on its request on August 26, 2010. (Ex. 2). Medidata's counsel responded that they were not authorized to consent to DataSci's request and that the necessary client contact was not available. (Ex. 3).

DataSci requests the extension because due to several scheduling conflicts that are unavoidable and cannot be rescheduled. (Ex. 1). One attorney is scheduled to be out of the office due to surgery on a family member that requires his extensive involvement. Another

DataSci attorney is undergoing surgery and will be out of the office for at least two weeks. Other DataSci attorneys have hearings scheduled in other cases. Additionally, two DataSci attorneys have to be out of town to assist their children in moves to college.

For the foregoing reasons, these events, coupled with the requisite time necessary to properly respond to Medidata's motion, support a request for an extension of the deadline to file DataSci's response to Medidata's Motion for Partial Summary Judgment from September 7 to September 21, 2010. DataSci respectfully requests, therefore, that the deadline for filing its response be extended until September 21, 2010.

Dated: August 27, 2010

Respectfully submitted,

/s/ Richard J. Oparil
